www.meagpower.org

Steve serves as Senior Vice President and Chief Operating Officer for MEAG Power. He has 33 years of utility experience specializing in power generation construction and utility operations. Steve worked for Big Rivers Electric Corporation and Tennessee Valley Authority in various engineering positions prior to joining MEAG Power in 1995.

Steve is an Advisory Committee member for The Energy Authority, an affiliate company of MEAG Power, which provides wholesale trading and risk management services for energy and natural gas. He also serves on the Executive Committee for the Freight Rail Customer Alliance and Georgia Energy and Industrial Construction Consortium.

Steve holds a Bachelor of Science degree in Mechanical Engineering from the University of Kentucky, a Master of Science degree in Engineering Management from the University of Evansville and has been registered as a Professional Engineer in Kentucky and Tennessee.
