1-800-333-MEAG  
[www.meagpower.org](http://www.meagpower.org)

Edward serves as Senior Vice President and Chief Financial Officer for MEAG Power. He has over 25 years of utility financial experience including finance, audit, treasury, risk management, budgeting and forecasting. He has been a key financial team member at several public power entities including Colorado Springs Utilities, South Carolina Public Service Authority and most recently, as Vice President and Chief Financial Officer for Omaha Public Power District.

He has been active in public power trade organizations for many years and recently served as Chairman of the Business & Finance Section for the American Public Power Association.

Edward has a Master of Business Administration and Bachelor of Science in Business Administration from Charleston Southern University.

In addition, he holds an Associate's degree in Nuclear and Chemical Engineering Technology from Trident Technical College. He is a 2010 graduate of the Reactor Technology Course for Utility Executives at the Massachusetts Institute of Technology Department of Nuclear Science and Engineering and the National Academy for Nuclear Training.
