Doug serves as Vice President and Chief Administrative Officer for MEAG Power. He has over 30 years' utility experience in electric transmission, distribution and telecommunications. In addition to his 24 years at MEAG Power, Doug worked at Georgia Public Web, Inc., in various senior management positions and at Florida Power and Light as a distribution service planner.

He currently serves on SERC Reliability Corporation's Board of Directors as well as its Board Executive Committee, and is a member of the Institute of Electrical and Electronic Engineers (IEEE). Previous associations include American Public Power Association's (APPA) Telecom Committee and Lucent Technologies' Network Advisory Board.

Doug holds a Bachelor of Science degree in Mathematics from Florida Southern College, and both a Bachelor's degree in Mechanical Engineering and a Master's degree in Management of Technology from the Georgia Institute of Technology.
